Wanderers heal (Volume 4) Kane Scarlett

The last people fight to stay alive after a second human-designed disease has weakened the population to the point that fertility is almost non-existent.

But one researcher has developed a recombinant technique that could change the course of humanity's destiny.

The problem: The solution is considered illegal by the remnants of a population already decimated by genetic misdeeds in the name of progress.

Neither side of the argument knows that she has already produced a viable subject using her process.

As the process is revealed, both sides prepare for a fight to determine the future of humankind.

The innocent will be caught in the fight.
