This is the second incarnation of what has been deemed the "Bible of Blackwork Tattoos" continues the first volume's photographic journey across the globe: showcasing the absolute best of tattoos that capture the magic of the ancient art form in exciting contemporary interpretations on the body. Within the 448 pages of this massive tattoo tome, including over 600 images, readers will explore quite different movements in tattoo art. Everything is possible, everything is allowed: black lines, dots, plains, hand-poked or tattooed by machine.
