Conquest (Star Force) B. V. Larson

Conquest is the next chapter in the great interstellar war between all living creatures and the machines. Star Force must stop the machine invaders once again - but how? In the fourth book of the Star Force series, Kyle Riggs has freed Earth from the chains of the Macros - but at what cost? The Macros no longer trust him. He is a mad dog that must be put down - and all Star Force must be stamped out with him. The war expands in this story, and mankind is once again faced with annihilation.
