There is nothing quite like the meditative, nostalgic feeling of putting a colored pencil to crisp clean paper for the first time. The intricate designs offer a shifting change of line pressure, open space and detail allowing for enjoyment at all skill levels. Each piece is hand drawn with India ink. No matter what your age if you have ever wished for or been lucky enough to have a horse in your life this book is sure to enchant you. Happy coloring.

*This book contains only horses and unicorns-nothing else. The images are one sided with a blank page opposite to ensure a clean coloring experience. This is the 2nd version of the original book so please note there are no quotes....no animals other than equine and the cover has also been updated showing a brilliant coloring job by Jane Adam, Karen Knapp and S.E. Myers.*
