The Enemy Below (HMS Hecate) (Volume 2) D. A. Rayner

DUEL AT SEA

From the moment the radar indicated a German sub, the captain of the destroyer *Hecate* knew he would achieve his life's ambition — a duel to the death in deserted waters between his ship and an enemy submarine.

Below the choppy sea sped the *U-121* commanded by Kapitan von Stolberg, an efficient, brutal sailor who also welcomed a fight to the finish — but for a different reason. His submarine was entrusted with a mission that could prove catastrophic to the Allied war effort. Nothing — least of all a British destroyer — must stand in his way.

Plotting his strategy like a deadly game of chess, the destroyer captain doggedly tailed the elusive sub. Depth charge answered torpedo, cannon matched gun and finally man faced man in a climactic battle for supremacy at sea.

THE ENEMY BELOW was the basis for the Academy Award winning 1957 movie starring Robert Mitchum and Curt Jürgens.

From reader reviews:

Edward Stewart:

The reason why? Because this The Enemy Below (HMS Hecate) (Volume 2) is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will zap you with the secret the item inside. Reading this book adjacent to it was fantastic author who write the book in such wonderful way makes the content on the inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This book will give you a lot of advantages than the other book get such as help improving your skill and your critical thinking method. So , still want to delay having that book? If I had been you I will go to the e-book store hurriedly.

Donna Eldridge:

In this period globalization it is important to someone to get information. The information will make a professional understand the condition of the world. The health of the world makes the information much easier to share. You can find a lot of references to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher that will print many kinds of book. Often the book that recommended for you is The Enemy Below (HMS Hecate) (Volume 2) this publication consist a lot of the information in the condition of this world now. This book was represented how do the world has grown up. The words styles that writer make usage of to explain it is easy to understand.
