"The Da Vinci Code" meets "The English Patient" in this thrilling new novel by Oregon author, Kyla Merwin. Discover the well-kept secrets of early Christianity as three daring friends search the remote and mysterious landscapes of 1947 Egypt--unveiling the most controversial archaeological discovery in 2,000 years. In their search for the lost Gnostic Gospels, the intrepid adventurers confront religious zealots charged with destroying the manuscripts, a clan of feuding tribesmen bent on blood revenge, a conniving billionaire demanding the promised secrets of endless power, an obsessed agent of the Egyptian government, and their own deepest fears. The Lost Codex is the story of danger, love, betrayal and choice. It's a journey through the fears and ecstasies of the human spirit, and a search for the most controversial religious material of the 20th century.
