Indian Summer A Sailing Adventure in Photos (blue cover) This second book of ours is a 60 page book with over 90 pictures and a condensed text of the past 28 years of boat building and ocean voyaging to Norway and other countries in northern Europe. It puts a face on the people and events we visited and wrote about in our earlier book. It's format is different from our written one. It's larger size allows us to include our pictures and use captions to explain. It is meant to be either a stand alone or a companion book to our written one. A complete written account (1986-2013) is available in the book Indian Summer A Sailing Adventure. (brown cover)
