Trust in Sanctuary [Sanctuary, Montana 4] (Siren Publishing Menage Everlasting) Corinne Davies [Siren Menage Everlasting: Erotic Cowboy Menage a Trois Romance, M/F/M, bondage, spanking, food play, HEA] As a forensic genealogist, Jocelyn Richards spends all her time delving into other family's histories as a way to avoid dealing with her own. She's quietly hired to find the information needed to put an end to a centuries-old feud between the Baldwins and McLeans but never expected to find her future while investigating the past. Eric and Matt Baldwin are cousins who have grown up like brothers. Life in the fire department hasn't been risk free. After an accident that almost claimed Eric's life, they both moved back to their home town to build a future and train a new generation of firefighters. Matt grew up with the firm belief in love at first sight. When they meet a woman in town to do research on a book, Eric is tempted to believe it too. But there are more secrets to Jocelyn Richards than he first believes, and when the feud flares to life again she is caught in the middle. Will the history behind a centuries-old feud drive them apart before they can create a future? Note: There is no sexual relationship or touching for titillation between or among cousins. ** A Siren Erotic Romance
