Malik wants to be a **porn star**, so he shows up to his first shoot ready to go. There's a bevy of **big black studs** there -- and plenty of **bbc** to boot -- so Malik thinks he's going to get to make the big nasty group scene he's always wanted to star in! The submissive white slut turns out to be so loose no one wants to go through with it, while Malik's urges take center stage. This hetero porn shoot **turns gayer** and gayer as these **alpha male** gangbangers and thugs decide to demolish Malik's tender body instead of the white ho! Can Malik handle this kind of outrageous black-on-black action?
