Breakfast at Stephanie's Sue Margolis

Playing “Winter Wonderland” for last-minute Christmas shoppers has got to be the all-time low point of Stephanie Glassman’s career. The aspiring jazz soloist and single mother has no singing prospects, no man in her life since her hot fling with a movie stuntman, and a social life that consists of having her two best friends over for high-calorie Sunday brunches. Even her grandmother’s having more sex than she is. That is, until toddler Jake’s irresistible father hurtles back into her life.

Albert promises fidelity, plus married life filled with the best sex Stephanie’s ever had. But there’s a tantalizing new wrinkle: Frank Waterman, rising star and Stephanie’s old crush, is suddenly semi-available and interested. And her stalled career seems to be heating up. But when her big break erupts in a scandal that puts her on the front page instead, Stephanie’s in a whole new league. Now, with fame at her door and two hot guys fighting over her, Stephanie’s got some big decisions to make...and they may surprise everyone—including her.

From reader reviews:

Trisha Sherman:

Do you have favorite book? When you have, what is your favorite's book? Publication is very important thing for us to be aware of everything in the world. Each reserve has different aim or even goal; it means that e-book has different type. Some people really feel enjoy to spend their time for you to read a book. They may be reading whatever they acquire because their hobby is definitely reading a book. Think about the person who don't like studying a book? Sometime, person feel need book if they found difficult problem or exercise. Well, probably you will need this Breakfast at Stephanie's.

Raul Joyner:

Nowadays reading books are more than want or need but also turn into a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The info you get based on what kind of publication you read, if you want have more knowledge just go with knowledge books but if you want truly feel happy read one along with theme for entertaining like comic or novel. The actual Breakfast at Stephanie's is kind of guide which is giving the reader erratic experience.

Michelle Sanders:

The actual book Breakfast at Stephanie's has a lot associated with on it. So when you check out this book you can get a lot of help. The book was compiled by the very famous author. This articles author makes some research prior to write this book. This book very easy to read you may get the point easily after reading this book.

Dolores Rawson:

Is it a person who having spare time subsequently spend it whole day through watching television programs or just laying on the bed? Do you need something new? This Breakfast at Stephanie's can be the answer, oh how comes? A book you know. You are and so out of date, spending your free time by reading in this brand-new era is common not a nerd activity. So what these ebooks have than the others?
