But soon after arresting a gruff ex-gladiator named Kwon, she stumbles upon her commanding officer discussing a nefarious secret called "Project Manstinction"... a plan that would have *dire* consequences for the people of Womynia if it ever came to fruition.

Join Misan and Kwon as they travel a perilous land full of magic, monsters, swordplay and subterfuge; searching for the the truth in the most unlikely of places...

"The Legend of Misan Driste is a humorous fantasy-adventure slash romantic-comedy that somehow manages not to take itself too seriously, despite its serious social subject matter."

"A witty, charming and ruthlessly blunt satire of western society's social politics."
