BwWm (plantation) erotica. Includes bonus books. I was the boss of the Colored women in the Big House. I saw her in the cabins, and knew the Young Master would like her. I talked to him, and he gave me some money. I gave her Mama a silver dollar so we would have no trouble. Mama told her to let him do anything he wanted, and not to talk too much. I helped her with a bath, and she was real pretty. When she was older and filled out, I took her up to the Young Master. I told her what to do. She had good sense, and she gave him what he wanted! All individuals are unrelated adults.
