## **Christian Liturgy: Catholic and Evangelical** Frank Senn

Written with special attention to Early Church, Reformation, and present day traditions, in *Christian Liturgy* Senn traces the story of Christian liturgy in light of the church's public rites. Senn's study focuses on liturgical practices that are catholic -- in continuity with the whole historic tradition -- and evangelical -- Gospel-centered in its forms of proclamation and celebration. Exploring the liturgy from an ecumenical perspective and context, the author uses a comparative studies approach to the liturgy, drawing on the insights of anthropology, biblical studies, general history, church history, historical theology, and musicology.
