Heralding the Loud Cry: Progression of Light from 1888 Camron Schofield

Heralding the Loud Cry is a precious book, containing progressive light and truth for our time in relation to the Loud Cry of the Fourth Angel. Each chapter of the book reveals newer and deeper spectrums of this multifaceted diamond of truth - as if one were holding the diamond up towards the sun, light permeates off its illuminated sides in every direction, radiating outward, upward, downward and inward. In beautiful simplicity Camron Schofield shares the eighteen gems of wisdom he has collected on Righteousness by Faith from his personal sojournings out of spiritual Egypt to the Red Sea shore. Consider each one of these sermons on Righteousness by Faith a unique and precious stone that you can yet polish and beautify further in the experience of your own life.
