## **Shark Tale Activity Coloring Book** Janet Halfmann

The newest animated feature from DreamWorks features major voice talent, gorgeous artwork, and an underwater comedy that's leagues away from anything else.

Shark Tale tells the story of Oscar (played by Will Smith), a fast-talking little fish who finds himself in hot water when he is mistaken for a hero. At first, his fellow fish swallow Oscar's story hook, line, and sinker, and he's showered with fame and fortune. It's all going along swimmingly, until it starts to become clear that Oscar's tale about being a great hero sounds a little fishy. Now Oscar has to tread water until he can get the scales to tip back in his favor again.

CONCEPT AND TITLE PENDING LICENSOR APPROVAL.
