## **Additional tidbits**

*Who is this book for?*

This book is for anyone who loves a good story with layered characters, emotional depth, and adventure. It's a coming of age fantasy journey but, at its heart, it's about letting go of the past, and finding hope.

*What are the appropriate ages for Son Of The Age?*

Twelve and older is the recommended age range. However, many readers have finished the book, enjoyed it immensely, and found themselves reading it a second time but to their children. As one reader put it, "I'm going to read it again, this time with my kids, as the ethics and hope weaved into the adventure are the substance every good father tries to impart to his kids."

*Will there be more books like this one?*

Definitely! Son Of The Age is the first in a series of fantasy adventures with heart. Stay tuned by visiting Lee's author page and clicking the +Follow button.

*What categories does Son Of The Age fit into?*

That's a challenge to answer since it's a cross-genre story. It's categorized Christian Fiction Fantasy, but you don't have to consider yourself a Christian to enjoy it, much like the Chronicles of Narnia series. If it were a movie, it might be rated PG13 for violence, but the language is clean and there is no sex. It's easy to understand for children, but some parts are "heavy" and might be difficult to process for younger readers. Below is a list of Kindle eBook categories that the novel might fit into, but it's not exhaustive.

Young Adult Fantasy  
Christian Fiction Fantasy  
Coming of Age Fantasy
