Super Superstudio

Andreas Angelidakis, Vittorio Pizzigoni, Valter Scelsi

Super Superstudio Andreas Angelidakis, Vittorio Pizzigoni, Valter Scelsi

Superstudio (1966–86), a group of Florence-based architects comprising Adolfo Natalini, Cristiano Toraldo di Francia, Roberto Magris, Gian Piero Frassinelli, Alessandro Magris and, from 1970 to 1972, Alessandro Poli, were among the leading radical architects of the 1960s. Almost 50 years after the group's establishment, their designs are gathered for the first time in this volume, which contextualizes the firm's works with that of contemporary artists, including Danaï Anesiadou, Alexandra Bachzetsis, Ila Beka and Louise Lemoine, Pablo Bronstein and Stefano Graziani, among many others. This catalogue compiles Superstudio's documents—including images, collages, critical writings and storyboards—drawn from the archive, and includes critical contributions from curators Andreas Angelidakis, Vittorio Pizzigoni and Valter Scelsi. *Super Superstudio* is an important tribute to an assault on modernism, that, as the volume reveals, remained and remains relevant for generations to come.
