The Human Body: Lift the Flap and Learn Pascale Hedelin

The Human Body is an amazing, interactive book that uncovers the mysteries of anatomy and physiology to give young children a rich understanding of their own bodies. The dynamic pull-tabs and flaps complement the simple text and will keep kids engaged as they learn!

Pull a lever to make a bicep grow or lift a flap to see all the bones in a hand. Pull a tab to help food travel through the digestive system and use your fingers to learn all about the sense of touch. From being born to growing tall, from pooping to getting sick and more, this book tackles a number of bodily topics that children are naturally curious about in a forthright and age-appropriate manner.

Packed with detailed information, *The Human Body* is must-have reference for young children exploring this fascinating topic for the first time!
