A leading exponent of Muslim thought focuses on the inner spiritual meaning of the religion of Islam and its ramifications for the modern world, namely, the problems the tradition faces in our contemporary world, including Islam's inner tensions between traditionalists and those who want to bring change-conservatives and modernists. Written for the serious general reader, this volume provides an accessible yet profound initiation into the fundamental spiritual experiences, beliefs, rituals, and historic figures of Islam. The late Professor Victor Danner (1926-1990) taught Arabic, Arabic Literature, Islam, Sufism, Eastern Religions, and Comparative Mysticism in both the Departments of Near Eastern Languages and Cultures and Religious Studies at Indiana University. He published many articles, and his previous books include *The Book of Wisdom* and *Sufi Aphorisms*. Dr. Danner's worldwide travels and involvement in inter-religious dialogue made him an exceptional communicator of the deep spiritual message of Islam to those of other religious faiths.
