The Maharajah's General (Jack Lark)

Paul Fraser Collard

The Maharajah's General (Jack Lark) Paul Fraser Collard

The second Jack Lark tale is a riveting tale of battle and adventure in a brutal land, where loyalty and courage are constantly challenged and the enemy is never far away

Jack Lark barely survived the Battle of the Alma. As the brutal fight raged, he discovered the true duty that came with the officer's commission he'd taken. In hospital, wounded, and with his stolen life left lying on the battlefield, he grasps a chance to prove himself a leader once more. Poor Captain Danbury is dead, but Jack will travel to his new regiment in India, under his name. Jack soon finds more enemies, but this time they're on his own side. Exposed as a fraud, he's rescued by the chaplain's beautiful daughter, who has her own reasons to escape. They seek desperate refuge with the Maharajah of Sawadh, the charismatic leader whom the British Army must subdue. He sees Jack as a curiosity, but recognizes a fellow military mind. In return for his safety, Jack must train the very army the British may soon have to fight.
