In the modern era including now, you just looking because of your mobile phone and searching what their problem. Right now, choose your personal ways to get more information about your publication. It is most important to arrange yourself to make your knowledge are still update. Let's try to choose right ways for you.

#### **Joseph Lee:**

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just small students that has reading's spirit or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Atlas of Ear Surgery can make you sense more interested to read.
