"LooK!-An illustrated guide to seeing what IS" takes us on a journey of discovery, points to the so-called 'gateless gate' and shows us how we might investigate the difference between what is real and what is imaginary. This self-exploration can lead us to question our most deeply-rooted beliefs and assumptions until we see for ourselves that life is an indivisible whole, and that separateness, including the "I", is nothing but an assumption created by thought. Liberation Unleashed is a global internet-based community of volunteer guides who strive to transmit the message that separation is only a thought, that there is no entity behind the word "I", and all one needs to do is to look.
