Following the instant popularity of our Paris children's products, AMMO Books invites you to explore the next stop in our City Series, the Big Apple itself: New York.

Within the coloring book, memory game, and hardcover storybook readers will discover the delights of the city that never sleeps. Featuring hand-drawn, colorful, and graphic illustrations by Min Heo—the same talented artist who brought the images of Paris to life—all three titles provide riches of visual enchantment. Children (and adults!) will enjoy coloring Central Park, finding a matching pair of Empire State Building illustrations, and reading about Lady Liberty.

Introduce pre-schoolers and early readers to iconic landmarks, including the towering Brooklyn Bridge and the beloved Natural History Museum, and leave a lasting impression with the stunning artwork of all three New York titles.

All ages will enjoy this timeless game featuring a selection of Big Apple scenes in bold and imaginative illustrations.

How to play:

For younger children, play with nine pairs or fewer. For a more challenging game, geared toward older children and adults, play with all thirty-six pairs. Mix and spread cards face down. Players take turns flipping any two cards up. If cards match, player continues. If cards do not match, player's turn ends and cards remain in the same position. When all cards are matched, player with the most pairs wins.
