Michael Nava

## **Rag and Bone** Michael Nava

From one of the most highly praised writers in mystery fiction, a swan song for a flawed hero.

In six novels, Michael Nava's stories featuring gay Mexican-American lawyer Henry Rios have resonated across a wide spectrum of readers, but his seventh, and final, Rios novel is the most haunting one of all. *"Counsel, your time has expired," the presiding justice said. He was very nearly right. For fifty-seven seconds, I died.*

Recuperating from a heart attack, Rios learns with astonishment that his estranged sister had had an illegitimate daughter when she was young, and that the girl is grown now, with a son of her own and an abusive husband. When the man is shot dead, and the bruised wife confesses, Rios immediately assumes the battered wife acted in self-defense, but gradually small discrepancies emerge, and before long Rios finds himself on the path to a much darker, more complex truth . . . a truth that will lead him to some life-altering events of his own.

Filled with memorable characters and exquisite writing, *Rag and Bone* is further proof that "if you haven't discovered Nava yet, an uncommonly rich experience awaits" (*Kirkus Reviews*).
