**Botanical bliss: Give yourself flowers every day of the year!**

Brighten up your desktop with seasonal blooms! Each day you'll encounter a fresh image from Basilius Besler's hand-painted 17th-century engravings of the Garden at Eichstätt in Bavaria, one of the most beautiful gardens in Europe. This is greenery that keeps on giving, too—at the end of the year, just turn back to the beginning and let the floral pleasures continue!

Text in English, French, and German
