William Bligh

The Mutiny on Board H.M.S. Bounty William Bligh

Works of fiction, among them the Charles Laughton film *Mutiny on the Bounty*, paint William Bligh, commander of the HMAV *Bounty*, as an ogre. Most paint Fletcher Christian, leader of the 1789 mutiny, as an honorable junior officer whose rebellion was justified. What's the real story? In a personal but objective narrative based on the *Bounty's* log, Bligh himself tells of the stormy voyage to Tahiti, his crew's insatiable attachment to the island paradise, and the incredible 3,600-mile journey to safety after the mutineers cast him-and eighteen loyal crew members-adrift in a small, open boat with few supplies. Bligh's detractors say that this narrative has many distortions and omissions; others judge it to be a remarkably dispassionate record. You decide.
