The Road to Home (South Africa Series #1) (Steeple Hill Women's Fiction #20) Vanessa del Fabbro
THE ROAD TO HOME is the story of the friendship that develops between two women--a friendship that sees them asking questions of themselves, uncovering new and sometimes uncomfortable personal truths and learning to trust their faith as well as each other. Monica's painful discovery that Ella is dying and that her sons will soon be left without a home leaves her believing that her own life was spared for a reason. THE ROAD TO HOME portrays the search for a life of purpose and is a tribute to the bonds women share no matter their skin color.
