Arthur de Pins

Zombillenum: Gretchen Arthur de Pins

Winner of:

Young Adult Library Services Association's 2014 Great Graphic Novel for Teens

Francis von Bloodt, a vampire and good family man, operates the one-of-a-kind theme park Zombiellenium. But this unique amusement park doesn't just hire anyone: mere mortals need not apply—only genuine werewolves, vampires, zombies, and other citizens from the undead community are employed. A stunningly beautiful, fully painted graphic novel, this work presents a wryly humorous and lighthearted take on the traditional horror genre.

From reader reviews:

David Binkley:

What do you in relation to book? It is not important to you? Or just adding material when you want something to explain what the one you have problem? How about your spare time? Or are you busy person? If you don't have spare time to do others business, it is make one feel bored faster. And you have spare time? What did you do? All people has many questions above. They have to answer that question because just their can do that will. It said that about reserve. Book is familiar in each person. Yes, it is proper. Because start from on jardín de infancia until university need this specific Zombillenium: Gretchen to read.

Joshua Mendez:

Nowadays reading books be a little more than want or need but also work as a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge even the information inside the book this improve your knowledge and information. The details you get based on what kind of reserve you read, if you want get more knowledge just go with knowledge books but if you want really feel happy read one using theme for entertaining like comic or novel. Typically the Zombillenium: Gretchen is kind of guide which is giving the reader unstable experience.

Kelly Jackson:

In this period globalization it is important to someone to acquire information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information easier to share. You can find a lot of recommendations to get information example: internet, classifieds, book, and soon.
