Civic and Ethical Education is an important component of Education that cultivates citizens to participate in the political, economic, social, cultural etc... affairs of their country and their individual life. It helps citizens to actively participate in the public affairs of democracy, to use rights and discharge their responsibilities with the necessary knowledge and skills. Such a society is created through education and with the help of a comprehensive, understandable and easy learning material like this one. This book is prepared in order that students can read and understand any of the contents even with the absence of a teacher.
