Editorial Review

Angel Wars is a very spiritual and powerful book. This book really made me think, but more importantly, it made me feel.

It is a great book with a very creative story arc. I enjoyed reading this one quite a bit and found it to be very entertaining and inspiring. If you are looking for a book that will not only make you feel, but that will also make you think, then look no further than **Angel Wars**; which is by far one of the best contemporary fiction novels to have come out in a long time. **Phenomenal Book!**

David T. Williams
