**Discover a New Kind of Purpose—Living in Alignment with the Timeless Present**

When we hear the word “purpose,” we tend to think about striving to reach a certain goal in the future. “There is another kind of purpose that has nothing to do with time,” explains Eckhart Tolle. “This is your primary purpose—to be here fully in whatever you do so that the preciousness of the present moment remains paramount.” With *Finding Your Life's Purpose*, Eckhart presents a two-session program on making the transition from “thought-based” living to the realization of presence as the foundation for all you do, exploring:

- How to overcome the dissatisfaction and conflict produced by dysfunctional states of consciousness
- Dissolving the veil of mind for the direct realization that everything is sacred and alive
- Honoring the world of form without identifying with it
- Love as the recognition of the true Self that underlies everyone

“You are the consciousness that illuminates the world. Know yourself as that—that’s what life wants with you,” teaches Eckhart. *Finding Your Life's Purpose* is an invitation to a new way of being, free from conditioned patterns of reactivity and unhappiness, and aligned with the greater intelligence of the universe itself.
