G.O.Y.G.O.: The Name of the Pharaoh and the King of Games Dennis Frogman

At the beginning of 2016, Patrick Hoban made history by publishing the first book on the theory of the Yu-Gi-Oh Trading Card Game. Dennis Frogman now joins Hoban as one of the first writers in this new tradition of literature. However, while Hoban's book is intended as a practical manual for winning Yu-Gi-Oh tournaments, Frogman's book seeks a proper philosophy of games, attempting to unravel philosophical problems in game theory with regards to card games, fighting games, and the budding eSports industry.
