Group Portrait Photography Handbook Bill Hurter

Photographers of human subjects will appreciate the advice in this guide for capturing groups on film. From basics such as posing and composition to technical aspects of focusing and lighting, this handbook addresses concerns for both amateur and professional photographers. Indoor and outdoor settings are discussed, as are tips for working with subjects to capture a variety of emotions and personalities. This latest edition has been freshened with 180 new images and an expanded section on digital technology, including information on white balance, resolution issues, and digital proofing.
