The LSAT isn't as hard as you think it is. Really.

With Exposing the LSAT, Nathan Fox shows you how to make that statement a reality. In his down-to-earth, often irreverent style, he walks you through an actual LSAT, demystifying the confusing world of logic games, reading comprehension, and logical reasoning.

Don't waste time studying old or made-up questions. Nathan calmly and clearly walks you through the actual June 2011 LSAT, breaking down the methods that help you see through the BS and nail every single question on the test, with approaches that carry through when you finally sit down for the big day.

If you're looking for a little boost on the logic games, you will find exactly what you need here: Nathan walks you through the games, and diagrams them step-by-step so you can see how each rule and revelation affects the outcome.

By using the strategies that have garnered rave reviews from his students in San Francisco and from readers of the Fox Test Prep Guide to a Real LSAT series, Nathan will show you how to save time on the LSAT so you can focus your energy on the truly challenging questions.

No nonsense. No made-up, trademarked buzzwords. No confusing jargon. And best of all, no pulled punches. Plus, you'll also find out how to contact Nathan personally and ask him questions directly.

So grab a pencil and pop this book open. Let's get it on.
