**One More Year** Simon Hanselmann

**The latest graphic novel in the *New York Times* best-selling, Tumblr comic series about a stoner witch, a cat, an owl, and a werewolf.**

The characters are imbued with far more pathos and depth than seems plausible given the stock comic premise ? drugged-out, slacker roommates. *One More Year* continues to give substance to the characters and personalities of its protagonists in ways that never fail to surprise, delight, and horrify. Full-color illustrations throughout.
