The Nations Within: The Past and Future of American Indian Sovereignty Vine Deloria Jr
The message of *The Nations Within* is an urgent one, and should be read by anyone concerned with American Indian affairs today.

“Those of us who try to understand what is happening in North American Indian communities have learned to see Vine Deloria, Jr., both as an influential actor in the ongoing drama and also as its most knowledgeable interpreter. This new book on Indian self-rule is the most informative that I have seen in my own half-century of reading. Deloria and his co-author focus on John Collier’s struggle with both the U.S. Congress and the Indian tribes to develop a New Deal for Indians fifty years ago. It is a blow-by-blow historical account, perhaps unique in the literature, which may be the only way to show the full complexity of American Indian relations with federal and state governments. This makes it possible in two brilliant concluding chapters to clarify Indian points of view and to build onto initiatives that Indians have already taken to suggest which of these might be most useful for them to pursue. The unheeded message has been clear throughout history, but now we see how—if we let Indians do it their way—they might more quickly than we have imagined rebuild their communities.”

—Sol Tax, Professor Emeritus of Anthropology, University of Chicago
