Poetry. Winner of the 2009 Interactive Publications Picks Best Poetry Award. WINGS OF THE SAME BIRD is an impressive collection grown from the mythological idea linking birds and the human world with divine realms just beyond ordinary experience. The poems connect birds with the journey of the human soul after death, representing them as primeval, cosmic, legendary, as messengers of the deities, symbols of war, death and misfortune, but also as profound harbingers of strength, love and wisdom. The poetry collection also handles grief from an objective, elevated and (excuse the pun) "bird's eye" perspective.
