Crazy All the Time On the Psych Ward of Bellevue Hospital Frederick L Covan, Carol Kahn

In **CRAZY ALL THE TIME**, Frederick L. Covan, Ph.D., chief psychologist at Bellevue Hospital, takes you behind the gates and into the psych ward of one of the world's most famous mental institutions. With razor-sharp insight and great compassion, Covan follows the lives of a group of young interns and the unforgettable patients they are committed to serve, including Brenda, a paranoid schizophrenic who claims she has slept with six presidents; Matthew, a silent, tormented young man who cut off his own penis with a pair of pinking shears; and Gloria, a severely depressed dermatologist with a panic reaction to the sight of skin.

Balancing the delicate line between normalcy and pathology, theory and reality, **CRAZY ALL THE TIME** explores the dark moods and outrageous behaviors of both doctors and patients in a place where madness reigns and disorder is the order of the day.

"A wonderful book . . . Superbly written . . . Nothing short of perfect." -- Los Angeles Times Book Review
