Developmental Mathematics (3rd Edition) Elayn Martin-Gay

Elayn Martin-Gay's developmental math program is motivated by her firm belief that every student can succeed. Martin-Gay's focus on the student shapes her clear, accessible writing, inspires her constant pedagogical innovations, and contributes to the popularity and effectiveness of her video resources. This revision of Martin-Gay's algebra series continues her focus on students and what they need to be successful.

This program provides a better teaching and learning experience, for you and your students. Here's how:

- The new Martin-Gay Student Success Program provides an integrated teaching and learning system—combining the textbook, MyMathLab®, student and video organizers, and the video program—which is designed to help students gain the math and study skills they need for success in developmental math and beyond.

Note: You are purchasing a standalone product; MyMathLab does not come packaged with this content.

MyMathLab is not a self-paced technology and should only be purchased when required by an instructor. If you would like to purchase *both* the physical text and MyMathLab, search for:
