First to Fight (Starfist, Book 1)

David Sherman, Dan Cragg

First to Fight (Starfist, Book 1) David Sherman, Dan Cragg

"Marines, we have just become a low-tech deep recon patrol . . ."

Stranded in a hellish alien desert, stripped of their strategic systems, quick reaction force, and supporting arms, and carrying only a day's water ration, Marine Staff Sergeant Charlie Bass and his seven-man team faced a grim future seventy-five light-years from home. The only thing between his Marines and safety was eighty-five miles of uncharted, waterless terrain and two thousand bloodthirsty savages with state-of-the-art weapons in their hands and murder on their minds.

But the enemy didn't reckon on the warrior cunning of Marines' Marine Charlie Bass and the courage of the few good men who would follow him anywhere--even to death. . .

"HARD TO PUT DOWN . . . Any book written by Cragg and Sherman is bound to be addictive, and this is the first in what promises to be a great adventure series. FIRST TO FIGHT is rousing, rugged, and just plain fun."

--Ralph Peters, New York Times bestselling author of Red Army
