Here is a selection of multiple choice questions and case studies designed for candidates for the Diploma of the Royal College of Obstetricians and Gynaecologists (DRCOG). The 90 multiple choice questions cover all major areas of the syllabus and are accompanied by extended answers to help the revision process. The case studies are ideal preparation for the other sections of the examination as well as for general revision. This book will be suitable not only for the DRCOG (and other examinations such as the MRCOG) but also for anyone wanting to update and test their understanding of obstetrics and gynaecology.
