Spenser's Secret Career (Cambridge Studies in Renaissance Literature and Culture)

Richard Rambuss

Spenser's Secret Career (Cambridge Studies in Renaissance Literature and Culture) Richard Rambuss
Edmund Spenser (c.1552-99) conducted two careers at once: a celebrated poet, he also pursued a lifelong career as secretary to various political and ecclesiastical figures. Richard Rambuss's ground-breaking book explores the ways in which this latter profession informed his poetic career. It argues that for Spenser, the manipulation of secrets provided a strategy for self-promotion and a means of measuring his distance from royal and aristocratic power. The study presents a new picture of Spenser and examines ideas of gender, power, and subjecthood in the Renaissance.
