THAT RISEN SNOW Book One of the Scary Tales: A Killer Serial The zombie sequel to Snow White begins where the classic fairy tale ends, with the Prince's kiss waking Snow from her cursed slumber. Snow wakes up, but she doesn't wake up right. Now a deranged zombie, Snow infects both the Prince and the seven dwarfs' leader. That leaves the young dwarf Grouchy, who is secretly in love with Snow, to find a cure for her malicious curse. So begins an epic journey that pits the lovesick Grouchy against dwarf-hating human soldiers, Snow's ever-growing zombie horde, and his own bad temper. But when Grouchy and his motley crew of survivors escape Snow's clutches and seek refuge in a nearby human village, he soon finds that her affliction has spread faster and further than he ever could have imagined. Snow is hell-bent on spreading her horrid curse across the land, and it's up to Grouchy to stop her before it's too late.
