The Stairway To Freedom: A Message From The Great White Brotherhood Bob Sanders

This book, *The Stairway To Freedom*, was dictated from the spirit world by The Great White Brotherhood and is a complete primer of esoteric knowledge covering virtually every aspect of a human being's development whilst here in incarnation and also will see him through his life in the spiritual realms as one progresses towards God.

It covers a large gamut of seemingly unrelated topics covering:

- Sexuality,
- The birth process,
- How life develops and is controlled by archangels,
- What is God and what God's Power is,
- What our auras are,
- How we can develop spirituality,
- Diet,
- Organising one's daily routine and a host of other topics.

The book cleverly weaves all these, apparently, disparate elements into a cohesive whole so that the student can have a firm grasp on the way that life operates whilst incarnate here on Earth and will help guide him through that life, and also what awaits him when this incarnation is finished and he returns to his true home, the spirit realms.

There are also a couple of prayers that were dictated from the spirit world, some guided meditations and, lastly, a number of questions and answers that were asked of the Great White Brotherhood on a variety of topics.

Although it is a book on spirituality, it offers a lot of practical information relevant to the problems that people face in their daily lives. The Brotherhood all had incarnations here on Earth at some stage and so have first hand knowledge of the difficulties that we face. It is not a remote, academic book just dealing with what is God. It is written in simple, if precise, language and all people will find that they can connect to the information presented in the various chapters.

As a last point, a great deal of love was put in by the Great White Brotherhood to give us this book and a great deal of hard work was put in by various people to present this to you.

It is hoped that the information will change your life.
