Trans-Oriented: A Guide to Love and Relationships for Men Who Love Transsexual Women Michael David Freel

Topical, wickedly frank, instructive...and frequently hilarious, Trans-Oriented is perhaps the world's very first romance guide for men whose sexual orientation is inescapably drawn towards transgender women. With everything a TGentleman will need to know about dating, friendship, romance, love, and sex with a TGirl, this comprehensive look at a seldom-examined world is jam-packed with information and practical advice. And it won't shrink from hitting readers upside the head with a 'clue by 4', either. The stereotype-shattering Trans-Oriented will be a revelation and an education, to those who share the orientation and to anyone interested in LGBT issues, human sexuality, or romantic relationships in general. Trans-Oriented, for all its hilarity, carries a serious and urgent message in defense of transgender women. Women who, Freel lovingly stresses, are not to be objectified, and who deserve the love and respect that must be the bedrock upon which any human relationship is built.
