Over 50 full-colour world maps and graphics break down hardcore statistics to provide a compelling analysis of all the political, social, economic and ecological nightmares that keep us awake at night. \* The world's car population has grown five times as fast as the human population over the last 50 years. \* Wal-Mart's sales revenue exceeds the GDP of 150 countries. \* Climate change may put 2.7 billion at risk of armed conflict. \* Germany generates more tourists than anywhere else. \* Americans use 160 times more water than people in Rwanda. If you want to get behind the headlines and understand the world - from urbanization to globalization, terrorism to tourism, military spending to human rights - The State of the World Atlas is unmatched.
