How To Build Poultry Houses American Poultry Journal

This special re-print edition of the American Poultry Journal's book "How To Build Poultry Houses" is a complete guide to building houses, coops, roosts, nest boxes, feeders, brooder houses and other necessities for the raising of chickens, turkeys, ducks, geese, pigeons, pheasants and other birds. Written in 1903, this classic text contains detailed information on how to plan, design and build a wide range of functional poultry houses, ranging from the most simple of coops, on up to fully functioning houses. No starting chicken keeper should be without the knowledge contained in this small book. Lavishly with historic drawings, plans and photographs of a wide range of poultry coops and houses. Note: This edition is a perfect facsimile of the original edition and is not set in a modern typeface. As a result, some type characters and images might suffer from slight imperfections or minor shadows in the page background.
